Dear Member,

It is my pleasure to welcome you to Galen Hall Golf Club, home to America's oldest island green. Opened in 1912, Galen Hall Golf Club prides itself on course conditions and offering a top-notch golfing experience to its membership. While we have always been open to the public, the longstanding success of this golf course is driven by the wonderful group of people who join the club every year. With so many courses around this area looking to "make a buck", it's very refreshing to be part of a club that continues to invest in its property. You will quickly notice that when you become a member at Galen Hall Golf Club, you become part of our family. So many of our members have been here for decades, but they know the importance of new members joining each season and always welcome new golfers with open arms. I enjoy coming to work every day and being around people who truly care about one another and share the same passion for this golf club that I do.

The following packet includes lots of valuable information about membership here at GHGC. Most everyone employed at Galen Hall Golf Club have been here for multiple years and can answer most questions you may have about the club. I am also always happy to address any concerns or feedback you may have and can be reached by email any time if you are unable to catch me at the club.

Thank you for becoming part of our tradition, and we will see you on the links!

Fairways and Greens,

Chandler Pinkman  
Director of Golf  
Galen Hall Golf Club
